ARTICLE II

AUTHORIZATION OF SERIES 2002-C WARRANTS

Section 2.1 Authorization of Series 2002-C Warrants. (a) There is hereby created and established under the Indenture a series of Parity Securities of the County, which shall be issued and designated as "Sewer Revenue Refunding Warrants, Series 2002-C" in the principal amount of \$839,500,000. In order to distinguish between Series 2002-C Warrants which are subject to different interest rate determination methods and other features or covered by different Liquidity Facilities and to distinguish the portion of the Series 2002-C Warrants to be remarketed by any particular Remarketing Agent, the Series 2002-C Warrants may be designated and redesignated from time to time by the County in such a way as to identify one or more subseries of the Series 2002-C Warrants. Such subseries may be designated as subseries C-1, subseries C-2, or may be further redesignated as subseries C-1-A, subseries C-1-B, and so forth. Each Series 2002-C Warrant shall bear upon the face thereof such designation or redesignation, if any. In the event any portion of the Series 2002-C Warrants is designated as one or more subseries, unless the context otherwise requires, any reference to the Series 2002-C Warrants in this Sixth Supplemental Indenture shall be deemed (to the extent applicable) to refer to each such subseries and any reference to the Liquidity Facility or the Liquidity Provider shall be deemed (to the extent applicable) to refer to the Liquidity Facility or Liquidity Provider pertaining to each such subseries.

(b) The Series 2002-C Warrants shall be issued under this Sixth Supplemental Indenture for the purpose of refunding the Outstanding Refundable Warrants.
